All cars, motorcycles, vehicles, trailers etc. coming into Australia are subject to an Import Permit which **MUST** be obtained prior to shipping from the Federal Office of Road Safety, Canberra, Australia. **MOST IMPORTANT: "THEY MUST NOT LEAVE THE PORT OF ORIGIN UNTIL THE IMPORT PERMIT HAS BEEN APPROVED AND ISSUED"**. Furthermore, please see attached information regarding "Asbestos in Vehicles."

 Personal Effects Criteria

The [Customs by-law 1700581 to Item 15 of Schedule 4 of the Customs Tariff Act 1995](#) details the UPE concession criteria.

To be eligible for the UPE concession you must meet **ALL** the conditions below:

- be a passenger or crew member of a ship or aircraft;
- have arrived from a place outside Australia; and
- depending on the nature of the goods, meet permanent residency requirements.

and the goods must be:

- your personal property;
- suitable and intended for use by you in Australia; and
- personally owned and used overseas by you for 12 months before your departure for Australia. There must be a connection between clients travel to Australia and the importation of the personal effects, goods cannot be cleared as personal effects if the goods are arriving in Australia months/years before/after client arrives in Australia.

The applicant will meet the permanent residency requirements if they:

- are an Australian citizen;
- hold a permanent visa; or
- hold a special category visa.

NOTE: If the shipment is bequeathed/inherited/commercial items/vehicle/s (all types inc motorbikes etc..) or includes vehicle parts items can't be cleared as personal effects please contact our office as additional paperwork will be required for clearance and additional charges will be applicable for clearance.

Any questions please contact our office on email PerthImports@chessmoving.com.au

ADDITIONAL INFORMATION

Motor vehicles, motorcycles, trailers, caravans, etc:

All cars, motorcycles, vehicles, trailers, etc., coming into Australia are subject to an Import Permit Perth which **MUST** be obtained from the Department of Infrastructure, Australia **BEFORE** the shipment is

dispatched from origin. Please refer your client to the following informative links:

- [8 steps to importing a vehicle in Australia](#)
- [Asbestos in vehicles](#)
- [Importing a vehicle as personal effects](#)

Electric Bikes / Scooters – Non-Road Motorised Items:

The legislation on bringing electric bike, scooters or motorised items that are not for road use into Australia has changed. Clients will need to apply for an advisory notice to bring any Electric bikes, electric scooters, golf carts, mini-bikes, Segway's, quad bike, golf carts, agricultural machines, and motorised mobility devices into Australia. Clients must apply for the advisory notice as the owner, we cannot apply on the client's behalf. Applying for an Advisory Notice proves the client has checked with the department that the item has been assessed and is not a road vehicle and as such does not need an import approval.

Brown Marmorated Stink Bug (BMSB) Risk Season 2024-2025:

In response to the rapid expansion of BMSB throughout Europe and North America, the Department of Agriculture, Water, and the Environment has retained the seasonal measures to manage the risk of BMSB arriving in Australia between 1st September to 30th April.

The following measures will apply to: Certain goods manufactured in/or shipped from target risk countries; and/or vessels that berth at, load, or tranship from target risk countries; from 1 September and that arrive in Australian territory by 30 April (inclusive). You must comply with these measures for vessels and goods during the BMSB risk season.

Please refer to this link for further details: [Seasonal measures for Brown marmorated stink bug \(BMSB\) - DAFF](#)

Khapra Beetle:

Department of Agriculture, Water, and the Environment (the department) have implemented urgent actions to address the risk of the khapra beetle (*Trogoderma granarium*) on high-risk plant products that are hosts of this pest.

The urgent actions will be applied to the following plant products (in various raw and physically processed forms for any end use), which have been identified as high-risk: Please refer to this link for further information.

Container Weight Variation Charge:

The Australian Port Stevedores will charge a 'Variation Charge' for any weight discrepancy of 1 Ton more or less than the VGM of any import container. If this fee is incurred, charges will be billed back to origin.

Tobacco:

Any clients wanting to include tobacco products in their shipment require an import permit prior to the shipment's arrival and should read the information the AU Dept Home Affairs Notice at this [link \[Home Affairs Notice 2019/13 - Tobacco Prohibited Import and Permit Arrangement \(abf.gov.au\)\]](#). Client can apply for an import permit at this [link](#). [\[Application for permission to import tobacco \(abf.gov.au\)\]](#)
