Important:

- About the question regarding the client's stay in Brazil: immigration usually checks travel records from the past 12 months, counting back from today. So, it's important to see if the client was outside the country for more than the allowed time during that period. Could you please clarify which years you mean by "the last few years" — are you referring to 2024, 2023, or earlier? This will help us better understand the situation and check if there's any risk or need for regularization.

Notes:

- ▶ All quotes are valid for a period of 30 days.
- ▶ All charges payable at destination must be predetermined if they will be reimbursed by the agent or shipper.
- ▶ If the customer is a Brazilian citizen and has not lived more than 1 year abroad, he will need to pay import taxes on his moving (Does not apply to foreign diplomats).
- ▶ There is a maximum of 12 liters of alcoholic beverages. Any beverage imported into Brazil must be paid an import tax of 50% of the declared value to enter.
