Gil Stauffer recommends whenever possible, to not use the following SS Lines for FCL shipments to Spain:

- COSCO and MSC: consider an additional €300-400 to our rate above.
- MAERSK or Safmarine Shipping line : consider an additional €200-300 to our above rate for haulage + Adm Fee of €250. Also their destination procedures are VERY slow resulting in high demurrage/storage costs.
- ZIM Lines : extra charges as per outlay.

Please note: This quote was generated automatically by the Rate-Wizard and it is based on cargo size and location. It might not include special requests (if any) that you specified in your request. Please check "Terms and Conditions" below for inclusions/exclusions.
