DESTINATION SERVICES

Full Or Partial D/S Services Available.

At Metropolitan Logistics, we provide seamless, reliable destination services for all international shipments entering Canada — including FCL, LCL (liftvans), and Air Freight.

Our responsive team works closely with transferees and booking agents to deliver transparent, flexible, and agent-friendly support, customized to meet your file's specific needs.

FCL – FULL CONTAINER LOAD

We handle full-container inland moves nationwide — from local delivery to long-haul routes. Our own trucks and chassis ensure total control, reliability, and schedule efficiency.

- Nationwide container haulage from ports & rail terminals
- Fleet-owned trucks and chassis for all container types (SOC, heavy loads, etc.)
- Smart dispatch planning to avoid demurrage and detention
- Grounding available on request

LCL – LESS-THAN-CONTAINER LOAD (LIFT VANS)

Our LCL service provides personalized and professional delivery from bonded CFS terminals across Canada. Ideal for diplomats, students, and light-volume transferees

- Coverage at bonded terminals nationwide
- Smooth customs coordination with transferee
- Labor services tailored to timeline and budget
- POA clearance available when client cannot attend CBSA

AIR FREIGHT – FAST & CONTROLLED DELIVERY

We deliver fast, flexible destination handling for air freight at all major Canadian airports — ideal for urgent, partial, or diplomatic shipments.

- Rapid handling at YUL, YYZ, YVR, and other major hubs
- Direct coordination for customs clearance and delivery
- Flexible schedules aligned with flight arrivals & CBSA hours
- Ideal for time-sensitive household shipments

ORIGIN SERVICES

Trusted Origin Agent Support Across Canada

Metropolitan Logistics proudly serves as the Origin Agent of choice for international movers worldwide. From pre-move surveys to final container loading and export dispatch, we provide reliable, efficient, and compliant export solutions.

With trained crews, in-house freight forwarding, and hubs across Canada, we ensure every shipment is packed, documented, and exported with precision.

PRE-MOVE SURVEY & PLANNING

We promptly arrange a virtual or in-person survey to assess shipment volume, access conditions, fragile items, and destination requirements.

- Accurate volume estimates and detailed packing notes
- Crating and fragile-item assessment
- Custom move plan aligned with agent instructions and timelines

PACKING & ON-SITE PREPARATION

Our trained crews use export-grade materials and precise packing techniques to protect all types of shipments, from liftvans to full container loads.

- Full or partial packing with labeled inventory
- Custom crating for fragile or high-value items
- Reliable execution for moves of any size, anywhere in Canada

CONTAINER LOADING & LOGISTICS

We offer flexible loading at residence, yard, or warehouse based on access and schedule. For liftvans and air freight, we complete final prep and palletization at our facility.

- Secure container loading nationwide
- Palletization for liftvans and air shipments
- National fleet support: Toronto, Montreal, Halifax, Vancouver

DOCUMENTATION & FREIGHT COORDINATION

Our in-house team handles all export paperwork and ocean bookings, or we coordinate with your nominated forwarder.

- Documentation: B/L, CAED, POA, packing list, inventory
- Real-time communication with agents
- FCL, LCL, and Air freight booking through trusted carriers
