All shipments coming into Spain are eligible for duty free entry if shipper is changing their main place of residency and have been living outside of Spain for a minimum of 1 year. It is down to the shipper to provide sufficient evidence to customs to justify their change of residency by providing the correct documentation. If the client can not provide documents or does not qualify for duty free entry customs will impose duties which are charged at 31% over the shippers declared value (+31% of the air freight in case of air shipment).

Todos los embarques que entran a España tienen derecho a despacho con franquicia (sin impuestos) si el cliente esta haciendo un cambio de residencia y lleva al menos 1 año viviendo fuera de España. Sera la responsabilidad del cliente para justificar su cambio de residencia con la documentación requerida.

En el caso de que el cliente no tiene documentación adecuada o que no tiene derecho al despacho con franquicia habrá que pagar impuestos calculados a 31% sobre el valor declarado (+31% sobre el flete aéreo en el caso de embarques aéreos).
