### Anti-bribery, Anti-Corruption and Anti-trust

As part of FIDI's global Alliance, Premier International Movers takes total stance to support the FIDI's Anti-Bribery, Anti-Corruption and Anti-Trust program. This program allows us to clearly show our position regarding bribery and corruption in the international moving industry. It is well known that bribery and corruption are unacceptable and can harm business in different ways and that is why it is part of our code of conduct not to tolerate any kind of action bonded to these practices.

### Data Protection
