<p><b>Removal goods</b></p>	<ul style="list-style-type: none"> <li>▪ OBL or AWB.</li> <li>▪ Fully completed Customs Form B534. (Version from link below only).</li> <li>▪ Scanned copies are OK in all States however electronic signatures will not be accepted.</li> <li>▪ Passport ID and signature page/s required for clearance and signature on the B534 must match passport. Any changes must be initialled.</li> <li>▪ A blank copy of the current Unaccompanied Personal effects Statement (B534 form) can be downloaded from the Australian Customs website at <a href="https://www.abf.gov.au/form-listing/forms/B534e.pdf">https://www.abf.gov.au/form-listing/forms/B534e.pdf</a></li> <li>▪ Inventory of goods in English.</li> <li>▪ Owner-packed goods require list of contents (in English) from owner.</li> <li>▪ Copy of Identification page and Visa from owner's passport. NOTE: Passport photo page of owner of goods who is completing B534 is required. Passport photo page of other persons travelling with owner are not required.</li> <li>▪ Visa grant letter where visa stamp is not in passport for non-Australian citizens.</li> <li>▪ Full name and Australian residential address of Owner must be provided to obtain clearance. Please note a Post Office Box or Business address is not acceptable.</li> <li>▪ If importer has been in Australia longer than</li> </ul>	<ul style="list-style-type: none"> <li>▪ Who may import Unaccompanied Personal Effects Consignments into Australia:                             <ul style="list-style-type: none"> <li>▪ Returning Australian citizens or non-citizens with long stay/permanent residence visa only who are entering Australia to take up residence after a period of residence of more than 12 months outside Australia. Unless the shipment qualifies to be considered as Unaccompanied Personal Effects, then it will be subject to formal entry, tax and duty.</li> </ul> </li> <li>▪ All household and personal effects entering Australia are subject to a physical examination by the Department of Agriculture, Water and Environment (DoAWE). This examination is conducted at DoAWE approved premises and will cause delays of up to 14 working days after the arrival of the consignment into Australia. The Quarantine examination also means that full containers cannot be delivered direct to the importer's residence in Australia.</li> <li>▪ Items of interest to DoAWE include all items that may have come into contact with soil</li> </ul>	<ul style="list-style-type: none"> <li>▪ The customs B534 may be completed by the owner abroad prior to the shipment of his goods, or in Australia upon their arrival. Original customs forms are not required for clearance purposes. All sections must be completed and each page signed and dated.</li> <li>▪ The owner's goods may be cleared through customs in advance of the owner's arrival.</li> <li>▪ In all states, the Australian Border Force (ABF) require a photocopy of the ID and Visa pages of the importer's passport. Under some circumstances the importer may be required to submit copies of all pages of their passport, including both front and back covers.</li> <li>▪ ABF require all cargo to be reported to customs before the goods arrive. The specified time frame for reporting sea shipment is 48 hours prior to arriving at the first port of call in Australia, and no less than 2 hours before an airfreight shipment arrives at the destination airport. Failure to do this will result in the consignee being fined by the Australian Border Force.</li> <li>▪ Please ensure pre advice notification</li> </ul>

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS
	<p>12 months, an email of explanation to Australian Border Force will be required to explain why personal effects are being imported if owner of goods has not travelled within the last 12 months.</p>	<p>and vegetation such as gardening equipment, bicycles, scooters etc, sporting and camping equipment e.g. golf clubs and buggies, cleaning equipment, brooms, mops, vacuum cleaner waste bags and the like. These items should be thoroughly cleaned before despatch.</p> <ul style="list-style-type: none"> <li>▪ Please note however prior cleaning and other treatment (Fumigation, steam cleaning etc.) does not ensure automatic clearance. DoAWE will order further treatment if in their opinion the items being imported present a quarantine risk.</li> <li>▪ Please also be conscious of festive decorations and wreaths containing dried vegetable matter, including pinecones and the like. If imported these items will be subject to further treatment or destruction. Further information is available at <a href="http://www.agriculture.gov.au/travelling/moving-immigrating">http://www.agriculture.gov.au/travelling/moving-immigrating</a></li> </ul>	<p>including owner's full name and Australian residential address together with all documents are sent to the consignee in sufficient time to allow the correct reporting to be completed.</p> <ul style="list-style-type: none"> <li>▪ Further information can be obtained from the Customs fact sheet at <a href="https://www.abf.gov.au/entering-and-leaving-australia/moving-to-australia/upe">https://www.abf.gov.au/entering-and-leaving-australia/moving-to-australia/upe</a></li> <li>▪ All personal and household effects consignments are subject to Quarantine examination and fees. The fees cover DoAWE Inspectors' attendance and entry processing, removalist's costs of licensing, software, administration, audit compliance, warehousing as well the unpacking and repacking items designated for inspection. Fees should be obtained from your designated Australian destination agent in advance.</li> </ul>
<p><b>Diplomat's removals</b></p>	<ul style="list-style-type: none"> <li>▪ All clearances can be prepared electronically. ABF do not need to sight original yellow B615. Embassy completes the form and sends to ABF who will check, stamp and return to Embassy who will then provide a copy to Bond. For DoAWE inspection need to ensure copies of the LOA, B615 and stamped packing list are sighted by officer</li> <li>▪ ALL correspondence to ABF and DoAWE needs to have DIPLOMATIC noted in the subject line. This will see an efficient turnaround for clearances from ABF and DoAWE.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Duty free entry (if for personal use).</li> <li>▪ Import of alcohol is allowed for diplomats but limited to annual quota agreed by the local Ministry of Foreign Affairs and the respective embassies in the country.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Subject to Quarantine examination and inspection fees.</li> <li>▪ Some Australian Ports of Arrival will require letter of authority on Diplomatic Letterhead to allow Quarantine examination</li> </ul>

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS

	<p>packer's/supplier's company's name and address on the letterhead. A sample Packing declaration is available at <a href="https://www.agriculture.gov.au/import/arrive/clearance-inspection/documentary-requirements/templates">https://www.agriculture.gov.au/import/arrive/clearance-inspection/documentary-requirements/templates</a></p>	<p>vehicles an expert valuation will need to be done by an authorised independent valuer in Australia, and will be required to determine the customs value.</p> <ul style="list-style-type: none"> <li>▪ The Customs Duty is 5% of the FOB value.</li> <li>▪ The GST payable is 10% on the VOTI. VOTI is the sum of (Customs Value + Duty + Overseas Freight + Insurance).</li> <li>▪ There is a 33% Luxury car tax (LCT) payable on high value vehicles. The current LCT threshold 1st July 2019 is Motor Vehicles with a "... luxury car value ..." exceeding A\$67,525.00 (for specified fuel efficient vehicles \$75,526).</li> <li>▪ The LCT of 33% is payable on the amount exceeding the threshold. E.g., Car having customs value of A\$80,000.00 The LCT will be calculated as A\$80,000.00 minus the threshold A\$67,525.00. The LCT of 33% is then applied.</li> <li>▪ Vehicles over 25 years of age are Duty Free; if the vehicle has not been so substantially modified as to constitute a newly manufactured vehicle.</li> <li>▪ Certain vehicles on which duties were paid when first imported into Australia, that have been exported from Australia and are being returned to Australia, are Duty Free and GST Exempt when meeting specified requirements.</li> <li>▪ Certain Free Trade agreements will also</li> </ul>	<p><a href="https://www.infrastructure.gov.au/vehicles/imports/registration_individuals.aspx">https://www.infrastructure.gov.au/vehicles/imports/registration_individuals.aspx</a></p> <ul style="list-style-type: none"> <li>▪ Effective 6th March 2017, asbestos in motor vehicles is prohibited. Importers will be required to complete Asbestos Declaration confirming there is no asbestos in any component of the vehicle. The Australian Border Force (Customs) currently express a zero tolerance policy in relation to imported motor vehicles and cycles regarding asbestos.</li> <li>▪ Importing motor vehicles and cycles that contain components, including gaskets, brake pads and clutch pads, that include asbestos is prohibited and is a serious offence and may be subject to penalties or prosecution; and may attract fines of up to \$180,000 or three times the value of the goods, whichever is the greater.</li> <li>▪ The importation of motor vehicles into Australia is strictly controlled and there are no duty/GST free concessions available. This means that all vehicles will be subject to duty and/or GST, which will be calculated on the value of the vehicle. In addition high value vehicles will attract a Luxury Car Tax.</li> <li>▪ There are also strict regulations for the registration of motor vehicles, including motorcycles for road use in Australia. All vehicles must comply with Australian Design Regulations which, in almost every case, will require modification to be undertaken to the vehicle to bring it up to the required standard.</li> </ul>

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS
		<p>reduce the Duty payable.</p> <ul style="list-style-type: none"> <li>▪ The current rates of duty applicable are as follows: <ul style="list-style-type: none"> <li>▪ Passenger vehicles less than 30 years (new or used) including sedans, station wagons and 4 wheel drive vehicles.</li> <li>▪ Customs Duty @ 10% - Duty = 5% GST @ 10% + LCT if applicable.</li> <li>▪ Passenger vehicles of 30 years of age or more: <ul style="list-style-type: none"> <li>▪ Customs Duty None</li> <li>▪ GST @ 10% + LCT if applicable.</li> </ul> </li> <li>▪ Other vehicles (including “off road” 4 wheel drives): <ul style="list-style-type: none"> <li>▪ Customs Duty @ 5%</li> <li>▪ GST @ 10% + LCT if applicable.</li> </ul> </li> <li>▪ Campervans &amp; Mobile Homes: <ul style="list-style-type: none"> <li>▪ Customs Duty @ 10% Duty = 5%</li> <li>▪ GST @ 10% + LCT if applicable</li> </ul> </li> <li>▪ Motor Cycles: <ul style="list-style-type: none"> <li>▪ Customs Duty None</li> <li>▪ GST @ 10%</li> <li>▪ LCT None</li> </ul> </li> </ul> </li> <li>▪ Australian manufactured vehicles: <ul style="list-style-type: none"> <li>▪ Are not subject to customs duty, but are liable to GST, unless GST was paid prior to original exportation, and no refund or drawback of GST was obtained when the vehicle was exported.</li> <li>▪ Also subject to LCT if applicable.</li> <li>▪ The duty rates and Luxury Car Tax threshold value are subject to change. The most current information is available from the Australian Border Force website at: <a href="https://www.abf.gov.au/importing-exporting-and-">https://www.abf.gov.au/importing-exporting-and-</a></li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>▪ It is possible that in some instances a vehicle may not be able to be modified, or alternatively may require extensive modification so as to allow registration.</li> <li>▪ All such modifications must be undertaken and certified by an accredited automotive engineer and can be a very costly undertaking which often results in an uneconomical situation arising in preparing a vehicle for road use.</li> <li>▪ There is some relief given to these compliance regulations if a vehicle is imported as a personally imported vehicle.</li> <li>▪ These concessions will, however, still require that the imported vehicle attains a basic level of safety requirements relating principally to lighting, seat belts, child restraint anchorages and glazing. To be eligible for a personally imported vehicle, an importer must meet the following criteria: <ol style="list-style-type: none"> <li>1. The vehicle has been owned and used by the applicant for a continuous period of at least 12 months.</li> <li>2. At the time the vehicle is imported, the applicant is: <ul style="list-style-type: none"> <li>▪ An Australian Citizen or an Australian Permanent Resident; or</li> <li>▪ A person who has applied to become an Australian Citizen or an Australian permanent resident.</li> </ul> </li> <li>3. The applicant is of an age that entitles him or her to hold a licence or permit to drive a road vehicle of that type.</li> </ol> </li> </ul>

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS
		<p><u>manufacturing/importing/cost-of-importing-goods/gst-and-other-taxes/luxury-car-tax-exemptions</u></p>	<p>4. The applicant undertakes to comply with any requirements as to road safety that are imposed in respect of the vehicle by the Administrator of Vehicle Standards.</p> <p>5. Have not imported a road vehicle owned by him or her within the year ending on the day on which the vehicle in respect of which the application is made is landed in Australia.</p> <ul style="list-style-type: none"> <li>▪ An Application for Vehicle Import Approval must be lodged with the Department of Infrastructure and Regional Development office in Canberra, prior to the arrival of the vehicle in Australia. This action must be undertaken as early as is possible as motor vehicles are unable to be cleared in Australia until an approved application has been obtained.</li> <li>▪ Vehicles that arrive in Australia without an approval will have to be re-exported or destroyed and the importer may face a fine of up to A\$13,000.00.</li> <li>▪ Import approvals cannot be issued for vehicles after they have been imported. A vehicle is deemed to have been imported as at the arrival date of the carrying vessel.</li> <li>▪ Enquiries concerning the personally imported vehicle application should be directed to the Dept. of Infrastructure and Regional Development, GPO Box 594, Canberra ACT 2601. Enquiries relating to the registration requirements of a motor</li> </ul>

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS
			<p>vehicle should be directed to the appropriate registration authority in the intended State/Territory of use of the vehicle.</p> <ul style="list-style-type: none"> <li>▪ The Department of Agriculture, Water and Environment (DoAWE) inspect all vehicles on arrival, and require them to be properly cleaned. This is usually effected by steam cleaning. You should remove all soil and any other matter from your vehicle (including and especially the underside) prior to its exportation to Australia. For further information, please refer to <a href="https://www.agriculture.gov.au/import/goods/vehicles-machinery#motor-vehicles-and-motorcycles">https://www.agriculture.gov.au/import/goods/vehicles-machinery#motor-vehicles-and-motorcycles</a></li> <li>▪ Road vehicles (and other equipment such as boats, caravans, etc.) equipped with an air-conditioner or a refrigeration system may require an import licence under the Ozone Protection and Synthetic Greenhouse Gas Management Act 1989. This Act controls the manufacture, import and export of ozone depleting substances (ODS) and synthetic greenhouse gases (SGG) in Australia.</li> <li>▪ These substances are listed in Schedule 10 of the Customs (Prohibited Imports) Regulations 1956. It is an offence to import controlled ODS/SGG equipment without a licence.</li> <li>▪ Before importing a road vehicle with an air-conditioner or refrigeration system, you must find out the type and quantity of gas contained in the equipment (if gassed) so</li> </ul>

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS
			<p>that you can complete licensing and reporting requirements that are detailed at the Department of Environment (DoE) website.</p> <ul style="list-style-type: none"> <li>▪ Specific requirements are available at: <a href="https://www.environment.gov.au/protection/ozone/licences-and-reporting/importing-cars-boats-caravans">https://www.environment.gov.au/protection/ozone/licences-and-reporting/importing-cars-boats-caravans</a></li> <li>▪ You may not need to apply for an ODS/SGG equipment licence if the road vehicle is kept by you or a member of your household, and the road vehicle is owned by you (the importer) for at least 12 months prior to importation and is principally for your private use; or the air-conditioning or refrigeration system is degassed prior to being shipped to Australia.</li> <li>▪ If you claim one of these exemptions you may be required to present documentary evidence to support your claim. These records should be kept for audit purposes.</li> </ul>
<p><b>Sailing boats, Motor boats, Boats</b></p>	<ul style="list-style-type: none"> <li>▪ Registration documents.</li> <li>▪ Purchase receipts.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Sailing boats, motor boats or boats will be admitted without payment of customs duties and GST, on the basis of one vessel per family per 3 years, only if client is able to satisfy the collector of customs at the port of entry that: <ul style="list-style-type: none"> <li>▪ The importer comes to Australia with the intention of taking up permanent residence, and</li> <li>▪ The importer has personally owned and used the vessel overseas for the whole of</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>▪ If the imported boat is carried on a boat trailer, the trailer is required to have a valid Authority to Import from the Australian Vehicle Safety Standards Office.</li> <li>▪ Please see details on Caravan/Trailer section.</li> </ul>

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS
		<p>the period of 12 months immediately preceding his departure for Australia, and</p> <ul style="list-style-type: none"> <li>▪ Security is given to Customs that the vessel will not be sold or otherwise disposed of in Australia, by or on behalf of himself within 2 years after the date of importation into Australia, and</li> <li>▪ The vessel is of a kind designed principally for Sporting purposes or recreational use in sheltered waters, and conforms to one of the following specifications: <ol style="list-style-type: none"> <li>1. Boats of a kind propelled by manual or pedal power.</li> <li>2. Sailing boats that, in the sailing condition, do not exceed 2.5 metres in width at any section; do not exceed 1000 kilograms unladen weight; do not incorporate any device for propelling the boat by power, such as an auxiliary motor; and are not of the deep keel type; or</li> <li>3. Powered boats that do not exceed 7metres in length overall; do not exceed 2.5 metres in width at any section; do not exceed 1250 kilograms all up, unladen weight (i.e. with driving units and transmissions) or 800 kilograms unladen weight without driving units and transmissions. Boats in this category will not be sold or otherwise disposed of in Australia by or on behalf of the arriving person within two years after the date of importation of the goods.</li> </ol> </li> </ul>
