***** Shipping Instructions *****

Please note:

For FCLs, VGM with real weight of the shipment is required to correspond weight in the Bill of Lading to avoid any correction and additional charges in Russia.

1. *Unless act of weighing is provided all charges regarding weight correction in POD are on Shipper's account.*
2. *Required documents: MBL (Express Release is OK, no need for Original), Packing list / Inventory, Photo page of passport of consignee (with registration).*
