

## PROHIBITED ITEMS

The following items cannot be included in an international shipment of household goods leaving / entering Mexico:

- New items:  
All items are required to be at least 6 months old (from the date of purchase) and should actually be used. E. g. virgin CDs, batteries in original packing material etc. will be considered as new items.
- Any kind of beverages (including wine, liqueur, beer, soft drinks, water).
- Any kind of food (including spices, tea, pet food and tinned products).
- Any kind of medicines and / or drugs.
- Any kind of weapons and / or ammunition.
- Any kind of live plants / flowers / seeds
- Pornographic items
- Lubricants, antifreeze compounds and similar items
- Compressed gas (e.g. fire extinguishers, scuba diving tanks)
- Raw wood materials (e.g. loose wood, untreated wooden furniture)
- Corrosives (e.g. acids, drain cleaner, photographic chemicals, batteries, bleach)
- Flammables (e.g. gasoline, butane, lighter fluids, matches, chemicals, paint, varnish, charcoal briquettes)
- Poisons
- Toilet paper, diapers and similar items
- Detergent, soap and similar items
- Collections of pens, model cars, high priced paintings etc.
- Dissected animals used as trophies etc.

The volume / number of any item should correspond to the normal use of a person / family. Large volumes of a certain item could be considered as items intended for commercial purposes.

We recommend not to include the following items in your shipment:

- Cameras, watches, jewelry, glasses, collections of coins / stamps etc. or any kind of small high value items.

I confirm having read and understood the above information
