

**S.P.I. PACKERS**

South Pacific International Cia. Ltda.  
Worldwide Moving Company

# We Provide Solutions in International Moving, Packing, and Logistics Services

**S.P.I. PACKERS** **South Pacific International Cia. Ltda.** is a worldwide moving and freight forwarding company. We offer our services in international, national, and local relocation, packing of household goods and artwork for Ecuadorian citizens returning to the country, foreign diplomatic and government personnel, as well as business professionals. We provide sea, air, and land transportation, with our main office located in Quito, Ecuador. We maintain close relationships with our worldwide agents and permanent control over shipments from origin to final destination through import and export.

## About Us

**S.P.I. PACKERS** **South Pacific International Cia. Ltda.** is an Ecuadorian company founded on April 15, 1997, with long experience in the international, national, and local moving industry, as well as in packing household goods and works of art. Our technical team specializes in packing, while our administrative staff has professional expertise in customs and logistics, ensuring that your belongings reach their final destination.
