## Documents & Shipping Instructions

### Documents Required

- Express Release (or Original BL via courier)/ Airway Bill (AWB)
- Packing List in English
- Passport, UAE Residence Visa and Emirates ID copies
- Client's Local Address, Mobile Number and E-Mail
- **Air Freight:** One set of original documentation should be attached to the shipment.
- **Vehicles:** Bill of Lading should mention the make, model, chassis number, engine number, colour and type of car. Documents required are copy of the last traffic registration with complete details of the car, origin export certificate issued by traffic department, title of ownership, commercial invoice, insurance policy and the car condition report at the time of loading. The Name in the Title of ownership of the car should be the same as that mentioned in the UAE visa. *Vehicles older than 10 years and right-hand drive vehicles cannot be imported/registered with local traffic authorities. Classic cars regardless of age may be imported – please contact us for more details.* Post clearance at the time of vehicle handover, client will be provided with the VCC (Vehicle Clearance Certificate) and Customs Duty Receipt which will enable them to register the vehicle with the local traffic department.
- **Diplomatic:** Household goods shipments to Dubai should be marked and consigned to the Embassy. Documentation required for diplomatic shipments include letter from the UAE's Ministry of Foreign Affairs (MOFA) and Letters from the Local Embassy addressed to shipping line and to Customs (draft available on request). Please contact us for diplomatic consign instructions and shipment declaration guidelines.
- **All the above documents are required at least 7 days prior to arrival of the shipment**
