Service Details

Inclusions

- **Document processing:** Assistance with documentation and customs procedures;
- **Customs clearance:** Standard customs clearance;
- **Transport:** Delivery of container to residence (assuming good access);
- **Delivery services:** Delivery up to 1st floor, unpacking and positioning of furniture, basic reassembly (tables, beds, small sofas), unpacking on flat surfaces, and same-day debris removals;
- **Container return:** Return of empty containers to the port.

Note: If a car/vehicle is included in our above rate, our vehicle handling service covers standard customs clearance, release procedures, securing/unbracing, offloading and direct delivery to the designated location using a special vehicle/equipment/flatbed tow truck.

⚠️ VEHICLE IMPORTATION DISCLAIMER ⚠️

Before importing any vehicle into Italy, it is strongly recommended to verify in advance the accuracy and availability of all required documentation to determine whether the vehicle can be legally registered and licensed in Italy. Please note that the customs importation process is entirely separate from the nationalization and registration process. While a vehicle may be successfully imported, unforeseen technical or regulatory issues may arise during the registration phase due to manufacturer specifications and Italian road code regulations.
