There are three sea ports in Istanbul. Ambarli, Kumport and Marport. If you advise us arrival port of Istanbul I inform you exact cost of port and customs.

Import cc is very strick in Turkey so, please do not send the container without my green light.

We would like to handle the Turkish side of this shipment. Since, this will be our first shipment together, I've kept the price as low as possible. If there's anything we need to do to ensure the shipment is successful, and for any questions, suggestions, or requests, please don't hesitate to contact us.

Sincerely,
