### **FCL Calculation Basis**

Our FCL rates are based on the port of entry Rotterdam or Antwerp as well as the return of empty containers to the nearest terminal (Mainz, Germany).

For the container return (drop-off charge), a maximum amount of €75.00 has been calculated. Any higher drop-off costs will be recharged proportionally based on actual expenses incurred.

### **Operational Requirements – FCL Import Germany**

#### **Empty Container Return (Mandatory)**

Before booking with the shipping line, it must be ensured that the empty container return (drop-off) is possible in Mainz, Germany.

Accepted shipping lines with depot in Mainz:

- YML
- CMA CGM
- COSCO
- Hapag-Lloyd (HPL)
- Maersk
- Evergreen
- OOCL
- ONE
- MSC (return option expected shortly)

The booking party is responsible for securing Mainz return. Any deviation will result in additional drop-off charges.

#### **Free Time at Port of Entry (Binding Requirement)**

- Minimum 7 days demurrage
- Minimum 14 days detention
- Or 14 days combined demurrage/detention

Insufficient free time will result in additional charges.

#### **Customs & Documentation (Pre-Arrival Requirement)**

Complete documentation must be submitted prior to arrival:

- Copy of Bill of Lading (B/L)
- Telex Release confirmation (mandatory – no original B/L required)
- Detailed inventory list in English or German
- Copy of passport (photo page)
- Copy of registration certificate (Anmeldung) in Germany

#### **For Returning German Citizens**

- Deregistration certificate from previous country of residence
- Proof of residence abroad for at least 12 months

### **For Foreign Nationals**

- Work contract or assignment letter
- Copy of visa / residence permit

### **Important Process Information – Warehouse Handling**

All import containers are handled exclusively through our warehouse. The containers are unloaded, and the shipment is subsequently delivered from our warehouse.

Incoming and outgoing movements of the shipment are carefully documented.

Each individual package is inspected upon storage. Therefore, it is mandatory that all packages are consecutively numbered.

Any detected damages will be documented photographically.

### **Transit Time**

<b>Transit Time</b>	<b>Blue Zone</b>	<b>Green Zone</b>	<b>Red Zone</b>
<i>(from port of entry to final delivery to customer)</i>	<b>5–7 days</b>	<b>7–10 days</b>	<b>7–10 days</b>
