-Local THC/Port Charges/Doc Fees/NVOCC: Any costs provided are estimated only. If not prepaid, we will bill back at the actual cost plus 10%. Please ensure if pre-paid that all costs are settled so we can be

presented with a Delivery Order by the steamship line on vessel arrival.

-Density and Groupage Minimum: Our tariff is based on (FCL/LCL – 7lbs per cuft., AIR 10lbs per cuft.)

-Validity: Our rates are valid for 60 days

Payment: Company policy is that payment must be received in full prior to the arrival of the shipment unless credit terms have been agreed.

Storage invoicing: If billed to our partners on our initial invoice for destination services, shipment is considered “storage in transit” for up to 3 months and GST is not applicable. After 3 months, GST is applicable and 10% will be added to all future invoices. If storage charges are billed directly to the customer, GST is applicable immediately and will be our current storage and storage handling rate plus 10%.

Customs and Quarantine Inspection: All shipments are subject to compulsory inspection at quarantine approved premises. Goods will be unloaded from the shipping line container and delivered in a local removal container, loose on the vehicle or from storage modules. Please note – Australian Customs & Border Protection Service require a manifest to be lodged at least 48 hours from the vessel's first port of call in Australia and 2 hours prior to an aircraft arrival. Please, therefore, ensure that all sea freight documentation is forwarded at least 5 days prior to vessel arrival and air freight 24 hours prior to arrival, in order to avoid financial penalties which will be imposed.

Import Permits: Import permits are required for a number of items including weapons, cars, trailers, motorbikes, off-road quads inc kids, electric scooters and bicycles. You must ensure your client has obtained a permit BEFORE goods are shipped.
