Important Note

The purpose of this document is to guide shippers and agents with relevant information that may be required while importing used personal effects and household goods to Saudi Arabia. However, Saudi customs regulations are modified at regular intervals, and such regulations are even implemented without any prior notice. Any costs, damages, delays, or any other detrimental facts or events resulting from non-compliance are solely for the account of the shipper and/or origin agent. To avoid such situations, and to get the latest updates, we recommend contacting Four Winds' respective offices in Saudi Arabia before shipping.
