

COMPARING INDIAN QUOTATIONS

Dear Partner,

Here you will find information which will be helpful when comparing INDIAN Rate Quotations.

CUSTOMS BROKER'S CHARGES

"Customs Clearance" or "Customs Broker's Charges" are included in our Origin / Destination rates.

BROKER'S UNION FEE

Union Broker's fee is included in our rates.

PORT CHARGES

DESTINATION SERVICES

Port charges are variable, excluded from our rates and, upon request, official receipts are sent to agent. These are charges such as storage, handling and others.

ORIGIN SERVICES

Export port charges and fumigation fee are included in our origin rate.

TERMINAL HANDLING CHARGES

Terminal Handling Charge is an expense that the shipping line charges just for the handling of the container in the port. You can ask your shipping line in advance what the THC will be in INDIA. It is variable and excluded from our rate. Upon request, official receipts are sent to agent.

DEMURRAGE

We suggest you try to negotiate 10 to 15 days free time detention with the shipping line. Having the shipper's documentation complete before vessel arrival will minimize this cost.

NVOCC'S

As information, when a move is shipped on NVOCC, the destination port charges are usually higher than when booking is done directly with the shipping line. NVOCC charges are excluded from our Quote.

PIANO HANDLING

Piano handling charges are excluded from our Quotes.

SHUTTLE SERVICE

Shuttle service is excluded from our Quotes. However, we can give you our rates on provision of Delivery Address.
