

## CUSTOMS INFORMATION FRANCE

This information I provided as summarized information to help you understand and prepare the duty free import of your removal, if possible.

Actual information and final decision on duty free import is by discretion of the customs department / finance ministry in the country of destination. You should always check at the embassy / consulate in your country of origin or at the customs offices in your country of destination, to be well prepared.

### Conditions

Used household goods/personal effects can be imported duty free, if

- The owner has resided at origin residence for a minimum of one year before relocating to France
- Used household goods and person effects must have been used for at least 6 months, and are still intended for personal use
- Used household goods and personal effects must remain in his/her possession for a minimum of one year from the date of importation
- Shipment must arrive within one year of the customer's arrival

### Documents that are required

- Copy of identification pages from passport
- A complete, comprehensive Inventory. Dated and signed by owner
- Declaration of Duty Exemption/Entry of Personal Effects "**Cerfa N 10070 03**" (attached)
- **Attestation de Non-session**. Declaration owner lived abroad for at least one year, that items have been in your possession for at least six month and will not be sold for 12 month (attached)
- Residence transfer (changement de residence) delivered by the French embassy in the United States **OR**, Letter of transfer, stating date of employment at origin, date of transfer
- Proof of residence in France, like a lease contract (electricity or phone bill)
- Employment contract, proof of employment

### Send the original Cerfa form – in an envelope - to:

Bongers International Movers  
Nudepark 75, 6702 DZ Wageningen  
The Netherlands
