

Customs regulations

Household goods can be imported duty free providing that:

1. All items (incl car) have been in the use and possession of the immigrant for at least 6 month
2. The immigrant continues to keep all items for his own and personal use
3. The importation takes place during the 1 year period of transfer of the residence
4. Any foreseen subsequent consignment must be reported and listed at the time of the first importation

Required documentation to be supplied prior to importation:

1. Immigrants personal customs declaration (Customs form 18.44)
2. Detailed inventory of the goods . New itmes must be listed and valued separately on the inventory
3. Photostat copy of the passports basic data
4. Lease or property title of the residence in Switzerland
5. The Swiss residence permit (or equivalent official certificate)

Additional documentation for foreigners only:

Work/residence permit issued by the local competent authorities

- We kindly ask you to fill, and send the original 18.44 form to Bongers Movers.
(we need the original form 18.44. send this in a envelope to our address below.)
