**Walk Through Agreement / Condition Report at Origin**

Please note carefully, this form is for your protection

This will acknowledge that the driver / crew chief and customer / shipper have done a thorough walk through of the residence after loading. All areas including but not limited to closets, cabinets, drawers, attics, basements, garages, and outside areas have been checked. Everything that is to be moved / shipped has been loaded. You, the customer, fully understand that if anything is left behind it is your responsibility to make arrangements to move the items. Any property damage to residence at origin needs to be documented at this time. It is also your responsibility to call and advise us of any claim situation.

# Importer Security Filing

(For import cargo arriving in the United States by vessel)

Please provide Interconex with the below information no later than 48 hours prior to loading. This will enable us to file the appropriate information to CBP in a timely manner. Failure to comply could ultimately result in monetary penalties, increased inspections and delay of cargo. If possible, please kindly do not write on the form; handwritten forms are often difficult to read which can result in additional errors and delays.

Interconex Job Number	<i>If you have free Adobe Reader, please fill in the form, print it, scan it and email it to isf@interconex.com. You might not be able to save the entered data with the free software version. If you have a purchased Adobe version 6 and above, please fill in the form, save it and email it to isf@interconex.com.</i>
