 Important notice:
 For sailings to Australia as from September 1st 2018 upto April 30th 2019 measures needs to be taken for targeted risk cargo ex and shippe via targeted risk countries against the Brown marmorated stink bug. All target risk goods will require fumigation at origin with a fumigation depot registered with DAWR
 If risk cargo plse provide us with certificate proving the fumigation No risk cargo, should also be confirmed in written to Vanguard
 More info on below link:
<http://www.agriculture.gov.au/import/before/pests/brown-marmorated-st-nk-bugs>

 wooden packaging needs to be fumigated according to ISPM15 different from fumigation against BMSD (commodity/contents/goods and packaging)

 *** ALWAYS SUBJECT TO SPACE AVAILABILITY ***

Allrisk Insurance (optional): For any value up to
 * 50.000,00 euro: 75,00 euro lumpsum
 * 100.000,00 euro: 150,00 euro lumpsum

For any values over 100.000,00 euro. please visit
www.onlinecargoinsurance.com

 <U>IMO REMARKS</U>
 DGD and MSDS must be sent with the booking and prior to delivery of the cargo. Lacking of these documents can result in non discharge of your cargo.
 IMO shipments are always 'under reserve' and subject to acceptance of shipping line.

 <U>FUMIGATION REMARKS</U>
 Fumigation and labeling according to ISPM 15 rules is and remains the responsibility of the shipper. Any cost/consequences due to non-compliance with ISPM 15 will be for shipper's account.

If Vanguard Logistics has to fumigate your cargo, please let us know at least 48hrs before closing.

 <U>GENERAL CONDITIONS</U>
 - Booking is subject to the terms of the Vanguard Logistics B/L
 - Unless we hear from you to the contrary within the next 12 hrs, this booking will be carried out as described.
 - Cargo has to be seaworthy packed and marked.
 If not, carrier will not be responsible for any costs or consequences After receipt of cargo receipt, please give us written confirmation in order to avoid misdirections.
 - Special dimensions: In case of High Cube or Long Length cargo This cargo is always subject to compatibility with other cargo and subject to inducement, extra charges may be debited.
