Dear Lior Halperin

About your application for Transfer of Residence (ToR) relief

Thank you for your application for ToR relief.

We have approved your application and given you the following Unique Reference Number (URN), 51595122.

What you need to do now

You need to give your URN to your shipper or agent so they can make an import declaration on your behalf. Your URN only covers imports which arrive in the UK from 15/08/2022 to 15/08/2023

More information

For more information on ToR and the restrictions on using this relief:

- see page one of form ToR1 – go to www.gov.uk/government/publications/application-for-transfer-of-residence-tor-relief-tor01
- go to www.gov.uk and search for 'transfer of residence'

You are responsible for telling your shipper or agent if you are importing any goods which are not covered by this relief.

Notification of vehicle arrival

If you are importing a vehicle into the UK, you must make a Notification of Vehicle Arrival (NOVA) application once the vehicle has arrived in the UK. To do this, email:

- your full name
- your address
- your URN
- a copy of your official vehicle details - certificate of title and date of vehicle arrival to ecsm.nchcars@hmrc.gov.uk or ring us on 0300 322 7071 for advice.

Please put 'NOVA application' in the subject heading on the email.

Important information about communicating by email

If you choose to email us, please be aware that email is not secure. The main risk is that information sent by email could be changed or read by someone else before it reaches us. Please only use email to contact us or send us information if you accept the risks.

If you have any doubt that an email has come from HMRC, then do not click on any links, give any personal details or reply to the email. You should send the email to us at phishing@hmrc.gov.uk

Yours sincerely

Corresponding with HMRC by email

Use the following information to decide whether you want to deal with us by email. We take the security of personal information very seriously. Email is insecure, so it's very important that you understand the risks before you email us. We'll not deal with you by email unless you tell us you accept the risks of doing so.

About the risks

The main risks associated with using email that concern HMRC are:

- confidentiality and privacy – there's a risk that emails sent over the internet may be intercepted
- confirming your identity – it's crucial that we only communicate with established contacts at their correct email addresses
- there's no guarantee that an email received over an insecure network, like the internet, hasn't been altered during transit
- attachments could contain a virus or malicious code

How we can reduce the risks

We'll desensitise information, for example by only quoting part of any unique reference numbers. We can also use encryption. We're happy to discuss how you may do the same but still provide the information we need.

If you don't want to use email

You may prefer that we don't respond by email, for example because other people have access to your email account. If so, we're happy to respond by an alternative method. We'll agree this with you either by telephone, fax or in writing via post.

If you do want to use email

If you would like to use email, we'll need you to confirm in writing by post, email or fax:

- that you understand and accept the risks of using email
- that you're content for financial information to be sent by email
- that attachments can be used

If you are the authorised agent or representative we'll need you to confirm in writing by post, email or fax that your client understands and accepts the risks.

Please also:

- send us the names and email addresses of all people you would like us to use email with - you, your staff, your representative, your agent, for example
- confirm you have ensured that your spam filters are not set to reject and/or automatically delete HMRC emails

How we use your agreement

Your confirmation will be held on file and will apply to future email correspondence. We'll review the agreement at regular intervals to ensure there are no changes.

Opting out

You may opt out of using email at any time by letting us know.
