--------------------------	-------------

OTHER EXPENSES NOT INCLUDED IN DECAPACK SERVICE**Amount (USD)**

Destination Port Charge	900.00 USD
Customs & Sanitary Inspection Charge	600.00 USD
Shipping Line DTHC 20ST	120.00 USD

INCLUDED**FCL-Destination Base Rate**

- Normal customs clearance for used household goods (HHG).
- Direct haulage from port of entry to residence with normal exterior access
- Delivery to residence up to second floor with normal interior access.
- Unpacking to bench top level and easy assembly of furniture and beds (not IKEA).
- Uncrating up to 6 items.
- Removal of debris on the day of delivery.
- Return of empty container in Santiago.
- Prices includes applicable GST (19% VAT in Chile).

EXCLUDED

- Destination Port Charges, Customs & Sanitary Inspections, Deconsolidation Fees
- Shipping Line DTHC (we strongly suggest prepaid since they are less expensive)
- If NVOCC/Forwarder is used for shipping or handling over at destination, a 300USD up to 500USD fee will apply.
- External Customs Broker fee (Reimportation, Temporary Admissions, Bonded Warehouse, General Cargo, vehicle and any other beyond used household goods).
- Fumigation
- Handyman (Specialist)
- Shuttle vehicle if the main truck cannot park near the access and/or if delivery has to be through underground floor.
- Storage in transit
- Partial unpacking, Second delivery and Deferred Delivery.
- Long Carry over 30 meters, Stair Carry, Shuttle Service
- Handling of heavy and oversized items like piano, safes and others.
- Parking permits, if needed.
- Weekend Labor, Holiday or beyond working hours.
- Demurrage, Detention, Bonded Port Charges, Bonded Storage at Port/Airport, Additional Customs & Sanitary Inspections, Duties & Taxes.
- Vehicle registration/delivery at residence
- Everything not explicitly included in this quote.

IMPORTANT NOTES

- Destination Port Charge, Customs & Sanitary Inspection Charge are flat fees based on the standard inbound, therefore, supportive invoices will not be provided unless the quoted amount is higher.
- Deconsolidation, NVOCC/Forwarder, Shipping Line DTHC, Bonded Warehouse, Bonded Port Charge & Handling, Taxes & Duties, Demurrage and Detention, will be invoiced as per actual receipts.
- Wooden items: crates, air/liftvan, packing material and furniture or raw wood ornaments, must be treated according to the ISPM 15 international standard.
- Examination Fee includes sending Decapack crew to the airport terminal, assistance in opening of airvan(s), unboxing, uncrating, verifying single item content and restoring items to their original packaging/wrapping/crating for clearance process continuity.
- Once vehicle is released, it will be forwarded to Decapack warehouse facilities where the customer will be able to collect it from. For vehicle delivery at residence, an extra cost will apply.

PAYMENT TERMS**International Agents (Non-Members):**

- Full Destination Service Rate and additional charges (DPC and C&SIC) must be available in our bank account before shipment arrival date (ETA), unless otherwise agreed.

FIDI Members:

- Destination Service Rate will have a 30 days credit counting from the actual date of delivery.
- For Destination Port Charge and Customs & Inspection Charge, payment is required prior to clearance.

Note:

Please make sure full-service amount has been deposited to Decapack's account. Exchange fees associated to international wired transfer must be taken in consideration when paying invoices since Decapack will not be responsible for such variances.
