Our Ref TOR-127142

Your Ref 06673923

Dear Yaniv Ben-Arie

About your application for Transfer of Residence (ToR) relief

Thank you for your application for ToR relief.

We have approved your application and given you the following Unique Reference Number (URN), 06673923.

Your URN only covers imports which arrive in the UK from 07/01/2024 to 07/01/2025

What you need to do now

You need to now complete an import declaration if the goods that you're bringing to the United Kingdom are entering the country separately to your arrival. If you are using a shipper or agent to assist with your move, you need to give your URN to them so they can make an import declaration on your behalf.

This authorisation also allows you, or persons acting on your behalf, the ability to use the appropriate Special Combined-nomenclature Code outlined in Chapter 99 of the Tariff of the United Kingdom reference document when completing a written or electronic import declaration. This will allow you to use this single code to declare all your household effects, with the exclusion of excise goods or those subject to any prohibition or restriction.

You can access the Tariff of the United Kingdom reference document at: <https://www.gov.uk/government/publications/reference-document-for-the-customs-tariff-establishment-eu-exit-regulations-2020>

Restricted goods will need to be identified separately on the import declaration, in case of Border Force inspection.

You are responsible for telling your agent or shipper if you are importing any goods which are not covered by this relief.
