Your URN 01769224

Dear Theodore Laub

About your application for Transfer of Residence (ToR) relief

Thank you for your application for ToR relief.

We have approved your application and given you the following Unique Reference Number (URN), 01769224.

Your URN only covers imports which arrive in the UK from 26/04/2024 to 26/04/2025

Thank you for your email dated 11 April 2024 with supporting document copies of your non UK address and UK address. I have now approved your application.

What you need to do now

You need to now complete an import declaration if the goods that you're bringing to the United Kingdom are entering the country separately to your arrival. If you are using a shipper or agent to assist with your move, you need to give your URN to them so they can make an import declaration on your behalf.

This authorisation also allows you, or persons acting on your behalf, the ability to use the appropriate Special Combined-nomenclature Code outlined in Chapter 99 of the Tariff of the United Kingdom reference document when completing a written or electronic import declaration. This will allow you to use this single code to declare all your household effects, with the exclusion of excise goods or those subject to any prohibition or restriction.

You can access the Tariff of the United Kingdom reference document at: <https://www.gov.uk/government/publications/reference-document-for-the-customs-tariff-establishment-eu-exit-regulations-2020>

Restricted goods will need to be identified separately on the import declaration, in case of Border Force inspection.

You are responsible for telling your agent or shipper if you are importing any goods which are not covered by this relief.

If you no longer meet the conditions of the relief

You must notify the Transfer of Residence Team immediately at nch.tor@hmrc.gov.uk and provide full details of why you may no longer meet the conditions of the relief.

You might, for example, need to sell your vehicle in the 12 months after moving to the UK, which may breach the conditions of the relief. You can find details about the conditions that apply on gov.uk <https://www.gov.uk/guidance/transfer-of-residence-to-great-britain>.

Information is available in large print, audio and Braille formats.
Text Relay service prefix number – 18001

When contacting the team, please include your approval number in the email subject header e.g. "CIC – TORXXXX".

More information

For further information about the Transfer of Residence relief, go to:

<https://www.gov.uk/guidance/transfer-of-residence-to-great-britain>

Notification of vehicle arrival

If you are importing a vehicle into the UK, you must make a Notification of Vehicle Arrival (NOVA) application once the vehicle has arrived in the UK. To do this, please email the CARs team at ecsm.nchcars@hmrc.gov.uk with "NOVA Application" in the subject heading and provide:

- Your full name
- Your address
- Your telephone number
- Your email address
- Your URN
- A copy of your official vehicle details - certificate of title
- Date of vehicle arrival in the UK
- A copy of the C88/MRN paperwork if a shipping agent has been used to bring the vehicle to the UK

For any help and advice, please ring the CARs team on 0300 322 7071.

Legislation

The legislation used to make this decision is [The Customs \(Reliefs from a Liability to Import Duty and Miscellaneous Amendments\) \(EU Exit\) Regulations 2020](#) , [The Customs \(Import Duty\)\(EU Exit\) Regulations 89\(1\)\(a\)](#) and the [Reliefs Reference Document](#) , where details can be found for specific goods.

Important information about communicating by email

If you choose to email us, please be aware that email is not secure. The main risk is that information sent by email could be changed or read by someone else before it reaches us. Please only use email to contact us or send us information if you accept the risks.

If you have any doubt that an email has come from HMRC, then do not click on any links, give any personal details, or reply to the email. You should send the email to us at phishing@hmrc.gov.uk

Yours sincerely

Yeuka Thuthani

Corresponding with HMRC by email

Use the following information to decide whether you want to deal with us by email. We take the security of personal information very seriously. Email is insecure, so it's very important that you understand the risks before you email us. We'll not deal with you by email unless you tell us you accept the risks of doing so.

About the risks

The main risks associated with using email that concern HMRC are:

- confidentiality and privacy – there's a risk that emails sent over the internet may be intercepted
- confirming your identity – it's crucial that we only communicate with established contacts at their correct email addresses
- there's no guarantee that an email received over an insecure network, like the internet, hasn't been altered during transit
- attachments could contain a virus or malicious code

How we can reduce the risks

We'll desensitise information, for example by only quoting part of any unique reference numbers. We can also use encryption. We're happy to discuss how you may do the same but still provide the information we need.

If you don't want to use email

You may prefer that we don't respond by email, for example because other people have access to your email account. If so, we're happy to respond by an alternative method. We'll agree this with you either by telephone, fax or in writing via post.

If you do want to use email

If you would like to use email, we'll need you to confirm in writing by post, email or fax:

- that you understand and accept the risks of using email
- that you're content for financial information to be sent by email
- that attachments can be used

If you are the authorised agent or representative we'll need you to confirm in writing by post, email or fax that your client understands and accepts the risks.
