

All items to be shipped are currently stored in a locked 10' x 20' storage unit in Lakeport, California. No "packing" per se is needed. All the stored items are ready to be transferred directly from the storage unit to the sea container for shipping.

The total volume of all items fill this storage unit up to about 5' deep, so, volume-wise, all the contents of this storage unit will easily fit into a standard 20' sea container. Note that there are only 3 small furniture items: one end table, and two small cabinets. There are NO beds, couches, large tables, chairs, etc.

The total value of ALL items listed below is: \$106,983. (An itemized list can be provided)
