SPECIAL INSTRUCTIONS TO THE REMOVAL SUPERVISOR	

****Please note:**

First Quantum Minerals will provide standard assistance for the relocation of 5-8cbm of ordinary personal effects from point of hire to site, and on termination of employment, from site to point of hire. This assistance includes packing, transportation, transit insurance and delivery. Any special requirements related to the packing, transportation, insurance, and delivery of personal effects will be for the employees' cost. First Quantum Minerals will not provide assistance for the storage of goods, or any ordinary personal effects in excess of the stipulated volume, unless otherwise approved by the Director of Human Resources. For the purposes of clarity, personal effects do not include motorized vehicles.
